

# SmartStack I.V. Stand

- Unique nested design allows for organized storage
- Allows for multiple side-by-side applications
- Large, smooth rolling casters with 2 wheel locks
- 4 ram-horn hooks included (2 fixed, 2 detachable)
- 24 month warranty

SmartStack stores less than half the space of traditional I.V. poles!  
(shown above: 24 of each)

## Introducing A New, Revolutionary I.V. Pole Assembly

The all new SmartStack I.V. Stand from Maxtec is what you have been waiting for in an I.V. Pole! Our specially designed pole base is 100% cast aluminum, providing extra stand support and durability. Its unique design will stack neatly with other bases of its kind and allow for a cleaner, more organized facility. Best of all, the SmartStack is equipped with large, smooth rolling casters offering easy transport in multiple environments.
